

# Desktop video magnifiers

**NEW!**

Desktop video magnifiers of the eMag series are functional, top-quality and comfortable. They are ideal for extended reading of printed or handwritten documents if the user needs a high magnification or suffers from reduced contrast sensitivity.

- The snapshot function can freeze the current image on the screen
- The camera automatically focuses on the closest object in view making the use of reading materials of different heights easy
- High contrast flicker-free image
- High resolution of the image
- By default the viewing options are full colour, black on white, white on black, yellow on blue, yellow on black
- The previous magnification and viewing mode settings are always saved
- TFT LCD monitor included
